DETAILED ACTION

Allowable Subject Matter

1. Claims 3,6,8, 10, 12-16, 19 and 21-27 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a semiconductor chip package comprising a first semiconductor chip and a second semiconductor chip, first chip being mounted to the second chip with the reverse side of the second chip facing the reverse side of the first chip, a nonconductive interposer having a through-hole extending from a first surface to the second surface where the hole is bigger than the second chip size, an adhesive sheet formed of a sheet-shaped adhesive material provided on the interposer at the first surface of the interposer to cover the through-hole, the second surface of the adhesive sheet being exposed through the through-hole from a side of the interposer substrate at the second surface of the interposer substrate where the reverse side of the second integrated semiconductor chip is fixed to the second surface of the adhesive sheet and the reverse side of the first integrated chip is fixed to the first surface of the adhesive sheet as to face the reverse side of the second integrated semiconductor chip at a position at which the second integrated semiconductor chip is fixed where the second electrode can be wired to external terminals on the second surface of the interposer substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
